

Employment Guide (TEG)

Posted November 25, 2014

The Transition & Employment Guide required by HB 617 has been published to the Transition in Texas website at Region 11: www.transitionintexas.org

The Guide is available in English and Spanish. In order to provide written information about the Guide with students and families, a form has been developed that can be adapted for your district (form includes both English and Spanish).

Please consider the following excerpt from the legislation as you respond to the publication of the Guide:

Sec. 29.0112. TRANSITION AND EMPLOYMENT GUIDE

(e) A school district shall:

(1) post the transition and employment guide on the district's website if the district maintains a website; and

(2) provide written information and, if necessary, assistance to a parent regarding how to access the electronic version of the guide at:

(A) the first meeting of the student's admission, review, and dismissal committee at which transition is discussed;

or

(B) the first committee meeting that occurs after the date the guide becomes available, if a student has already had an admission, review, and dismissal committee meeting discussing transition.

How will the district document that written information and assistance was provided regarding how to access the Guide?

This is a district decision; no guidance will be sent from TEA.

The deadline to have the Guide posted to the district's website is January 1, 2015.
